

Wellbeing (Lifestyle) Coordinator

Available Position: Wellbeing (Lifestyle) Coordinator

Location: Nuriootpa, Adelaide Hills & Barossa SA

Category: Aged Care (Community Services & Development)

Status: Part-time

Salary: \$28 – \$28.89 per hour

About Barossa Village

We are a vibrant and dynamic organisation emphasising professional, high-quality services with a commitment to best practices and continuous improvement.

We pride ourselves on recruiting leaders that genuinely care about their teams, are visible in the workplace and have created a culture where everyone's opinion counts.

As an organisation, we recognise the need to balance work and life and work closely with our team members to deliver rosters that accomplish both.

The opportunity:

We are currently recruiting for a Wellbeing (Lifestyle) Coordinator to join our Wellbeing Team working at our Residency. The Wellbeing team offer person-centred care based on individual preference and choice. We seek an enthusiastic and self-motivated person passionate about working with the elderly to join our growing team.

A Personal Carer is responsible for the following:

- Excellent customer service skills and a drive to work with the elderly and their families
- The ability to identify client and residents needs and goals that translate into programs enhancing and growing the wellbeing of Barossa Village clients and residents creating 'More Good Days'
- The skill to design and develop programs that enable the achievement of individual and group goals. Focusing on the delivery of activities which recognise the social, emotional and spiritual needs of each Resident or client.
- The capability to undertake wellbeing assessments and the development and evaluation of resident's Wellbeing Care plans in consultation with the resident and/or family and the clinical team.
- The ability to continuously monitor and assess, evaluate and review the effectiveness and efficiency of programs to ensure the achievement of client goals and business sustainability.
